## The Energy Codes® for Conscious Aging

*“The key to a **fully empowered** experience in life is **embodying the energy that you are.**” ~Dr. Sue Morter*

Saturday, September 28, 2019, 1:00pm-4:00pm  
First Unitarian Church Memorial Hall  
3701 Carlisle Blvd NE  
Albuquerque, NM 87110

This interactive workshop, The Energy Codes® for Conscious Aging, is based upon the groundbreaking work of Dr. Sue Morter in the fields of consciousness, health and wellness.

- **Learn to access more of your Energy, especially as you age.**
- **Build the energetic circuits to heal on every level of your life.**
- **Create a powerful shift in your reality. Become happier and healthier more easily by living your true path.**

Annette C. Tixier is a Certified The Energy Codes® Facilitator and a Certified B.E.S.T. (Bio-Energetic Synchronization Treatment) Practitioner. She provides consultation and personal coaching services, drawing on her over 30 years of business experience as firsthand knowledge of stress and its limiting effects, unless **energy is managed from the inside out.**

You can find out more about Dr. Sue Morter here: [www.drskemorter.com](http://www.drskemorter.com)

**Registration:** A registration form is attached.
